About PTTG

Our annual Paint the Town Green Gala has been going strong for **17 years!** Paint the Town Green is essential to Raintree's success, as it spreads awareness and fuels our three programs:

Therapeutic Foster Care, Raintree House, and Family Support Coordination.

This event is inevitably exciting with generous sponsors, donations, delicious food, cocktails, live music, auction items, and a presentation by Raintree.

1950s and '60s

Our program started to provide maternity care for young women.

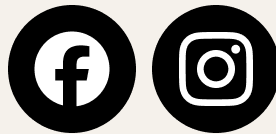

1970s and '80s

Raintree House was established and began providing services to teenage girls in the foster care system.
